# WELCOME TO ASIA'S PREMIER DESIGN-LED SOURCING PLATFORM

The annual International Furniture Fair Singapore (IFFS), held in conjunction with the ASEAN Furniture Show (AFS) and NOOK Asia, is Asia's premier design-led sourcing platform. With almost four decades of fair experience since 1981, IFFS remains the most distinctive channel in Asia dedicated to regional and international companies looking to penetrate the global market.

**IFFS 2019**, which will be held in the new venue - **Sands Expo and Convention Centre, Marina Bay Sands** will feature a comprehensive range of furniture, furnishing, decorative accessories, interiors and fittings by a diverse portfolio of quality exhibitors.

To enhance its industry-leading position as the region's top furniture trade exhibition, IFFS is shifting to the Sands Expo and Convention Centre to enable our progression into the next phase of growth. Strategically located at the heart of Singapore's Central Business District, both leading exhibitors and international trade visitors can expect a world-class business experience at Singapore's newest and largest event venue. With Singapore just hours away from fast-growing Asian markets such as China and India, IFFS remains committed to serve the global furniture trade industry as Asia's premier design-led sourcing platform.

# EXPECT THE UNEXPECTED

Networking for New Buyers @ IFFS 2018

"Global markets are picking up and we're here as a 17-company pavilion to bring Indonesia products to worldwide audiences. The IFFS platform helps our companies to gain good international visibility, so we hope to continue this collaboration at the new venue next year and beyond."

**MUGIANTO SUKADI ISMAN, CHAIRMAN  
INDONESIA FURNITURE INDUSTRY &  
HANDICRAFT ASSOCIATION (ASMINDO)  
(INDONESIA)**

"I've always dreamt of being able to design for companies around the globe, be it in Australia, Asia, the UK, or in Europe, and IFFS is helping me in my journey with its many international buyers and visitors. My friend was the one who introduced me to IFFS — we were both very impressed by what IFFS offered, so I decided to participate."

**RYOTA YOKOZEKI / FOUNDER  
RYOTA YOKOZEKI STUDIO (JAPAN)**

"We confirmed orders with a supplier from Turkey and another from Indonesia within the first 2 hours of the show, so I'd say that we have been successful so far. We like the high-end, international offerings here, and find many exhibitors who offer a good combination of quality and price."

**MARION HORGAN / OWNER  
HORGANS (AUSTRALIA)**

"I believe the new venue will pique people's curiosity, and a different audience will be keen to come see the fair. Some of our customers come specially to meet with us here, and we've also received quality new leads from all over the world — from as far as South America, South Africa, and Europe. It was a fruitful time here at IFFS, and we'll be there at MBS next year!"

**JAN-WOUT HULSTEIN / FOUNDER  
ASIADES LTD (HONG KONG)**

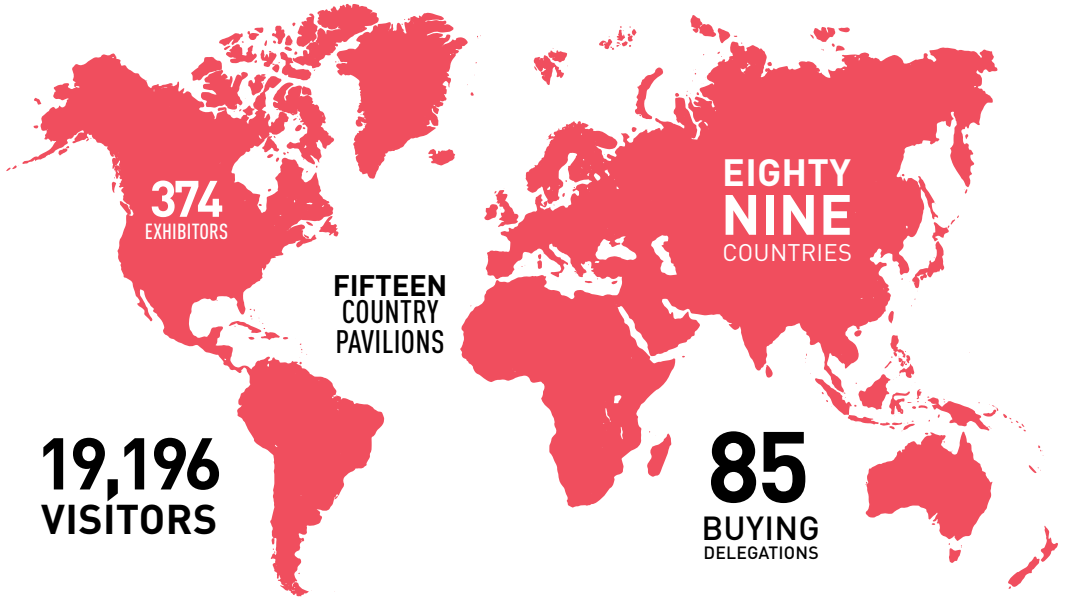

"I've been here six years in a row now and continue to see a great cross section of suppliers from around the world here. Other shows in this region feature a majority of their own local manufacturers, but IFFS is different in a good way for me. I meet a lot of reputable companies here that offer high quality products."

**DAVID PEEZ, BOSS MAN, REPUBLIC HOME  
(NEW ZEALAND)**

"I'm a UAE-based interior designer, and this has been a great first-time experience for me here at IFFS. I've expanded my supplier database, and discovered many quality products from countries like Thailand, Vietnam, and India. There are some very good options for custom or bespoke products here, and the lead times are really amazing! I made some valuable contacts this week, so I'll likely be back again next year."

**RABIA SARFARAZ / FOUNDER AND  
PRINCIPAL INTERIOR DESIGNER  
IN HOUSE INTERIORS (UAE)**
